

THE MENSAH MENSAH FOUNDATION

Serving Youth. Supporting Families. Building Community.

OFFICIAL FOUNDATION ANNOUNCEMENT

The Mensah Foundation is proud to officially launch its first community outreach initiative to support underserved youth and families throughout the Twin Cities.

Founded by professional and former Division I athlete Dennis Mensah Jr, the foundation was created with a mission to provide meaningful support, positive experiences, mentorship, and community engagement opportunities for children and families who may not always have access to them.

The foundation believes that even small acts of support can create lasting impact when done consistently and with genuine care.

The launch event marks the beginning of a long-term commitment to community outreach, youth support, and giving back directly to local families.

- Community wellness events
- Mentorship initiatives

- Youth sports/community days
 - Children's hospital visits
 - Family support initiatives
 - Scholarship opportunities
 - Youth leadership development
-

Year One Strategy

The focus of Year One is NOT becoming a massive nonprofit.

The focus is:

1. Building trust
 2. Creating visible impact
 3. Establishing consistency
 4. Documenting outreach
 5. Building community relationships
 6. Creating a foundation people believe in
-

First Official Outreach Event

Event Name Ideas

- Community Giveback Day
 - Back-to-School Community Day
 - Youth Community Wellness Day
 - The Dennis Mensah Foundation Youth Day
-

Event Vision

A free community outreach event focused on children and families that combines:

- School supplies
- Backpacks

- Food/snacks
- Sports activities
- Mentorship
- Community engagement
- Positive experiences for youth

The event should feel:

- welcoming
 - organized
 - uplifting
 - family-oriented
 - authentic
-

Initial Event Goals

Target Size

20–40 children/families

Main Objectives

- Create real community impact
 - Build trust with families
 - Introduce the foundation publicly
 - Build social media presence
 - Document outreach professionally
 - Create momentum for future events
-

Initial Budget Plan (\$2,000)

Item	Estimated Cost
Backpacks	\$500

School supplies	\$300
Foundation shirts/banner	\$250
Park/field permit	\$150
First aid & safety supplies	\$150
Water/snacks backup budget	\$150
Extra supplies/emergency	\$500

Note:

Safety & Organization Plan

Recommended Safety Items

- First aid kits
- Instant ice packs
- Bottled water
- Electrolyte drinks
- Sunscreen
- Emergency contact sheet
- Volunteer emergency contacts

Event Setup Suggestions

- Check-in table
 - Water/snack station
 - First aid station
 - Parent seating area
 - Sports activity area
 - Supply giveaway table
-

Community Partnership Strategy

The foundation should focus on building local partnerships early.

Potential Partners

- Local restaurants
- Pizza shops
- Sandwich shops
- Coffee shops
- Grocery stores
- Barbershops
- Gyms
- Local soccer organizations
- Churches
- Community centers

What To Request

Instead of asking for money immediately, request:

- Food donations
- Drinks/water
- Snacks
- Volunteer support
- Printing support
- Giveaways

This makes businesses more likely to participate while building long-term relationships.

Social Media Strategy

Platforms

- Instagram
- TikTok
- Facebook

Content Focus

- Outreach events
- Community impact
- Youth activities
- Foundation mission
- Motivational/community messages
- Partnership highlights
- Behind-the-scenes preparation

Goal

Build trust and visibility through authentic community content.

Photography & Media

The foundation already has access to a photographer/videographer.

This is extremely important.

Every event should document:

- photos
- videos
- testimonials
- volunteer moments
- family/community interactions

This content becomes:

- future sponsorship material
 - donation material
 - social media growth content
 - proof of impact
-

Outreach & Event Timeline

Week 1

- Finalize foundation name
- Create Instagram/social pages
- Design simple logo/banner
- Create mission statement
- Choose first event date/location

Week 2

- Reach out to restaurants/businesses
- Purchase backpacks/supplies
- Recruit volunteers
- Create event flyer

Week 3

- Promote event online
- Confirm partners/vendors
- Organize supplies
- Finalize event setup

Week 4

- Host first official event
- Capture media content
- Speak to families/kids
- Post recap content

Important Early Mindset

The Mensah Foundation does NOT need to look huge immediately.

What matters most is:

- consistency
- authenticity
- organization
- care

- community relationships

Small events done consistently build stronger reputations than large events done once.

Long-Term Growth Plan

After establishing successful outreach events:

Phase 2

- Official nonprofit registration
- EIN registration
- Website creation
- Donation setup
- Sponsor outreach
- Board member development

Phase 3

- Annual signature events
 - School partnerships
 - Youth mentorship programs
 - Scholarship initiatives
 - Corporate sponsorships
 - Grant applications
-

Foundation Statement

The Mensah Foundation exists to create meaningful opportunities, experiences, and support systems for underserved youth and families while building a stronger and more connected community.

The foundation is rooted in authenticity, leadership, and giving back through direct action and consistent community outreach.

Final Reminder

The foundation does not need to start perfectly.

It simply needs to start.

Real impact, consistency, and authenticity are what eventually create movements, attract support, and change communities.

The most respected community organizations often begin with one person choosing to help consistently.
